MEETING PROGRAMME

Fălticeni, 30th of March – 3rd of April 2020
ROMANIA

The objectives of the short-term student exchange are:

1. To discuss and evaluate the results of the issues covered in the period of the project 10/2019 - 03/2020, especial the topic of (UN) EMPLOYMENT and DISCRIMINATION-GENDER-BULLYING

- what was the role of women/men in the professional area in the past? Has it changed? How? How did the education influence and help to change the situation on labour market?

- museums/castles - roots of our nation. How did people used to live in the past? What were the roles of each member of the family?

- what was the position of women in society and labour market? Historical perspective and situation now.

- jobs in the past, present and future, career possibilities and limitations. Discrimination on labour market.

- which jobs are done only by men/women? In which jobs prevail men/women?

2. To analyze the old local tradition and crafts still alive, a motivation for a future job.

3. To learn about the life together with people from different nations (Polish, Ukrainian, Germans, Jews, Romanians) in this area; What does TOLERANCE mean?

4. To develop new skills, new information, new attitude for different jobs, new professions. The students will understand that traditions, crafts and folk art have to be preserved, developed and carried on.

5. To create th multilingual dictionary
